Australian Schoolboys Tour – Coach’s Report

NSWCCC was well represented in the Australian Secondary Schools 18 Years team on their tour of England, Wales and France. Nine players (Mitchell Pearce – Team Captain; Liam Foran; Chris Lawrence; Joseph Paulo; Tim Robinson; Will Mataka; Ratu Peni Tagive; Joel Thompson and Aiden Tolman), representing 5 schools (Marist College North Shore, Patrician Brothers Blacktown, St.Gregory’s College Campbelltown, St.Paul’s Kempsey and Red Bend Catholic College Forbes) as well as two staff (Simon Huntly (Coach) and Craig Brennan (Trainer) meant that NSWCCC made a significant contribution to the success of the tour.

Aiden Tolman: Best Forward

The squad assembled at the Australian Institute of Sport on Saturday November 18th and were together until Christmas Eve. A total of seven matches were played – Test matches against Wales, BARLA, Great Britain Community Lions, England Academy (two), French Schoolboys and France Under 19’s. This is the first time since 1999 that an Australian Schoolboy team has toured the Northern Hemisphere undefeated, and the first clean sweep against all opponents since 2002. A special thanks must go to the Families, Schools and clubs for their support with the boys who toured. Their success on the field is a direct

result of the professionalism and determination that they showed off it. All members of the squad were a credit to all those who have contributed to their development over the years and were very proud to represent their country.

In a total of 35 days of touring, all but 5 contained element of training, playing or rehabilitation, without one complaint. Congratulations to Craig Brennan for his ability to ensure that the squad was kept in top physical shape throughout the course of the tour and his support and insight with regards to skills training and team strategy. A special mention to Mitchell Pearce, who lead the team by example with great determination and spirit, and to Chris Lawrence, whose NRL experience and maturity provide great role-modelling to the rest of the squad.

2006 ASSRL 15's Championships

The championships commenced with our first game on Sunday morning against ACT. After a slow beginning we dominated play to win convincingly 26-4. Tries: Chris Knight (2), Matthew Wright, Limone Kamuta, Krys Freeman. Goals: Matthew Wright (2) and Matthew Sommers. Player of the match for NSWCCC was Matthew Wright.

Day 2 saw us play NSWCHS in the final game of the day. We knew we were in for a tough contest with NSWCHS's championship aspirations resting on the result of this game, after losing to Queensland on day one. In a very physical game we scored first and never looked back winning 24-10 and effectively ending NSWCHS's championship campaign. Tries: Albert Kelly, Krys Freeman, Jason Green, Jarrod Thompson. Goals: Matthew Sommers and Chris Knight (3). Player of the match for NSWCCC was Krys Freeman.

Day 4 of the carnival saw us play Queensland with both teams knowing that we would be playing each other again in two days time in the final. This could have served as a distraction but in a great display of skill and punishing defense we handed Queensland a resounding defeat 28-4. Tries: Matthew Wright, Joe Leighton, Chris Knight, Lance Whitnell, Scott Dunn. Matthew Wright kicked four goals. Player of the match for NSWCCC was Albert Kelly.

Undefeated for the championship, we knew that Queensland would be a more formidable opponent

in the final. In a tight tussle the NSWCCC skill level, disciplined play and yet again, punishing defense allowed the team to work their way to a well-deserved victory over Queensland 18-14. NSWCCC had won the Australian Secondary Schools Ruby League Championship undefeated! Tries: Joseph Leighton, Lance Whitnall, Matthew Wright. Goals: Matthew Wright (3).

Upon completion of the carnival the Australian Secondary Schools Rugby League Under 15 Merit Team was announced. NSWCCC had six players selected Matthew Wright, Albert Kelly, Daniel Mahoney, Aaron Woods, Jarrod Thompson and Jayden Dallalana. The player chosen as the NSWCCC most valuable player of the championship was Jarrod Thompson.

Congratulations to those players selected in the Australian Merit side and to Albert Kelly, who was selected as the Corporate Sports Australia Player of the Championships. Congratulations must also go to the staff involved with the squad: Coach Mark Morrison, Trainer James Clancy, Tour Manager Phil Tobin and Selector Mark Falkenmire. Such a genuine and supportive group of talented individuals working together made the championship a most successful and enjoyable tour.

The way in which the players represented themselves, their colleges, families and NSWCCC was a credit to all involved in the squad. I would

like to take this opportunity to thank those families who travelled to and assisted in Perth. Their effort and support was reflected by the players on the field and is an essential component for success at this level of competition. Competing interstate at a national level is a great privilege and something

that all players will look back on with fond memories. All players should be proud of their achievements not only as individuals but also as a team - undefeated Australian Rugby League Championship winners!
